Project Description

Provide a description of your project that addresses the following criteria.

1. **Need** - Why is there a need for the equipment or enclosure?
2. **Excellence** - How will it improve outcomes for wildlife in your area?
3. **Value for Money** – Include a budget detailing projected expenditure. Note: this information will also be used to determine if your grant is awarded as a lump sum or in 2 or more stages.

Please include at least one image to support your application. Images may include drawings of a proposed enclosure, photographs of an enclosure that is being replaced, extended, repaired or partially completed, pictures of equipment that demonstrates how it is used, how someone else has used it or similar. In addition you may also include photos of wildlife that the project aims to help. All images must be your own.

Your description and pictures may be published on the NWC website. Please sign below to indicate you understand and agree with your application and/or images being used for publicity or educational purposes on the NWC website

I understand that my Project Description and any images included with it may be published on the NWC website or might be provided to relevant government agencies or other animal welfare organisations to promote wildlife rehabilitation. I agree that all images are my own and do not contravene copyright or other laws.
